## **TARGET DONATION SUPPORTS IPAL PROGRAM**

On September 2, 2010, Vernice Mason, District Asset Protection Team Leader for Target® Stores presented a check in the amount of \$4000 on behalf of Target® to the Inglewood Police Department. The money will be directed to the Inglewood Police Athletic League (IPAL) to support their various activities for local youth in the community. In particular, this contribution will help support IPAL's holiday programs that include a toy/food basket give-away for families during the holiday season.

The Inglewood Police Activities League (IPAL) is a 501(C) (3) non profit corporation dedicated to the positive development of the youth of Inglewood. Through IPAL, police officers and young people participate in educational, recreational and athletic activities to learn more about each other and their communities. IPAL's youth programs help young people develop respect, responsibility and discipline, as well as improve school performance, resolve conflicts, and occupy their out-of-school time productively.

The Inglewood Police Department and Inglewood Police Athletic League appreciate and Thank Target® Stores for their support of the program. The contribution is certain to benefit not only youth in the community, but also less fortunate families during the holiday season.
